About Your Adviser

I love living and working in WA because of the climate, great local food and wines, a friendly community, a variety of outdoor sceneries coupled with fabulous family and friends.

Outside work I enjoy anything to do with water, travel, bush walking, being healthy, rugby, and spending time with family.

I commenced my financial planning career at AMP as a Financial Advisor in 1997 and have also held personal and business specialist financial planning positions with some of the major banks and Industry Super Funds.

After graduating from the University of New England in 1985 with a Bachelor of Financial Administration, I completed a Diploma of Financial Planning and a Master of Business.

From 1998 to 2020 I was a member of the Financial Planning Association of Australia, and in 2016, I became a registered Tax (Financial) Adviser with the Tax Practitioners Board.

I pride myself on delivering unbiased solutions to my diverse client base which consists of individuals, couples, families, and retirees. Over the years I have provided advice to clients on wealth creation through investment, superannuation and retirement, and wealth protection through life, total and permanent disability, critical illness and income protection insurance.
